In addition, all the houses are oriented to the south, so they all have plenty of sun all year round. Like the previous promotion, the ground floors have a private garden, but the great news is that only the upper floors have a solarium with direct access from the house. Regarding common areas, we will have two swimming pools and large garden areas and a children's playground. In addition, the residential complex has spacious and pleasant outdoor rooms made up of garden areas, children's area, swimming pools and barbecue, where you will enjoy next to the best company.
